

MONTHLY MEETING
MONDAY, JANUARY 6th - 2 PM

On the agenda.....
--By-laws Proposal
--Calendar Review
--Fund Raising
--Directions for '92

NOTES FROM DECEMBER MEETINGS

We have changed the time for our monthly meetings to 2PM - because of the shorter winter days. PLEASE NOTE. If this is a hardship for anyone who can only attend at the later hour, speak up! We hope our attendance will continue to grow in numbers and enthusiasm.

The House & Grounds report presented the estimated cost of glass needed for replacements in many of the skylights.....and shingles for the weathered side of the building. The final expense will be about triple the four or five thousand dollar base price of the materials when labor costs have been factored in.

We are becoming more aware of the implications and demands of our non-profit status. Our primary focus needs to be directed to archival and educational purposes, along with the preservation of an historic building,.....and all to be supported by dues, donations, rentals, and grants.

HAPPY
NEW YEAR
1992

Exhibitions will continue to play a large part in our fund raising while maintaining an excellence in the presentation of traditional art. A committee has been assigned for the revision of our constitution and by-laws. Committees for public relations, program development, and fund raising are to be organized in January.
